REASONS FOR ALLOWANCE

1. The following is an examiner's statement of reasons for allowance: Note that Applicant's amendment is sufficient to overcome the art rejections and sufficient to place the instant claims in condition for allowance.

The inclusion of the core layer made of a thermoplastic polymeric foam and a wood filler renders the claims patentable over the prior art. It is known in the art that the foamed thermoplastic polymer/wood fiber profile accepts and retains the insertion of fasteners easily. There is no motivation to modify the core of the fence insert of Meglino to be a foamed thermoplastic polymer/wood fiber layer because no nails have been associated with the fence insert.

Further, Meglino discloses a fence insert comprising an outer layer and an inner core wherein the outer layer is made of a substantially resilient low density polymeric materials, i.e., virgin polyethylene, virgin polypropylene and an inner core fabricated from a low cost recycled material, i.e., recycled polyethylene, recycled polypropylene or combination thereof. Meglino discloses the use of a combination of high-density and low-density materials reduces the overall amount of material required for fabricating the fence insert (column 3, lines 13-16). One of ordinary skilled in the art would not be motivated to substitute the polyvinyl chloride or acrylonitrile/styrene/acrylic for the low cost recycled material of the inner core from the practical view of the cost effectiveness. Therefore, the inclusion of the first polymeric material and the third polymeric material made of polyvinyl chloride and the second polymeric material is selected from the group consisting of polyvinyl

chloride, acrylonitrile/styrene/acrylic and combinations thereof renders the claims unobvious over the prior art.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
